

# DADDY LONG LEG

## *Bird Deterrent System*

*Rotating and discreet bird  
deterrent system ,  
for outdoor use.*

- The AVITHOR™ Daddy Long Legs® Bird Deterrent system's unique design, deters gulls, pigeons and other large birds from landing in open spaces .
- Use on flat roofs, air conditioning units, on street lights, television aerials, dishes and other hard-to-protect areas.
- The thin, stainless steel rods, rotate in the breeze and wave menacingly, interfering with birds as they attempt to land.
- Designed to be as discreet as possible Daddy Long Legs is barely noticeable at short distances and almost invisible from a distance of 20 metres or more.
- Being inconspicuous, the Daddy Long Legs can be installed in high traffic, or public areas with little risk of causing offense by its appearance.
- Importantly the Daddy Long Legs' stainless steel rods are fitted with plastic tips to ensure no injury to birds.

**Available in three sizes:**

- 1.2 metres
- 1.8 metres
- 2.4 metres
