

ORBIT GR

Long lasting granular herbicide

L. 6407

**Powerful & long term control of weeds
on industrial sites**

Description:

A non-selective granular herbicide for weed control on industrial sites, such as along railway lines, electrical and storage yards, on roadsides and other non-crop areas.

Active ingredient:

Bromacil 80g/kg,
Terbuthylazine (Triazine) 120 g/kg

Advantages:

- Dry application with granular spreader.
- No water, no measuring and no mixing.
- Apply in any weather condition.
- Weed free areas for up to 24 months with a single application

Application rate:

150kg/ha (1,5kg / 100m²)

Pack size:

25kg

Note:

- Requires rain to activate.
- **Do not use close to water systems, sloppy soils or non target vegetation.**

Control weeds for up to
24 months with a
single application
